

# "A DECLARATION OF OPEN RESISTANCE AGAINST UNCONSTITUTIONAL GOVERNMENT ACTIONS"

**Whereas**, for far too many decades, government, at all levels, operating almost virtually unrestrained by the constitution and lobbied by socialists, radical environmentalists, corporations, bankers, unions and foreigners, has far exceeded its constitutional authority and has continuously assaulted or taken away our constitutional rights as regards the ownership of our land, as well as many other of our freedoms and liberties, as guaranteed and protected by the U. S. Constitution, and

**Whereas**, all natural born or naturalized Americans are sovereign and free citizens of the United States of America and are only bound by the Constitution of the United States (*and laws not in violation thereof*) and by the Constitution of the state in which each individual resides, and

**Whereas**, corrupt legislatures and bureaucrats, at all levels, in violation of their oath of office to preserve, protect and defend the U. S. Constitution, have passed and are continuing to pass, voluminous, unreadable, incoherent acts, ordinances, regulations, restrictions, rules, edicts, laws and ratify treaties that are in direct violation of the strict and literal interpretation of our federal or state constitutions, pursuant to the intent of the framers of said constitutions, and

**Whereas**, the President of the United States and the U. S. Congress have colluded with the United Nations to adopt UN resolutions and policies into American law without any treaty being debated and ratified by the Congress, in violation of the U. S. Constitution, and

**Whereas**, the U. S. and state supreme courts have failed in their duty to literally interpret our Constitutions as the supreme law of the land and have inserted, in some cases, radical political, environmental, socialist, or international bias into their decisions, and

**Whereas**, the net result of these acts by government is that all American citizens have lost many of their freedoms, their liberty and property rights, to the corrupt, unconscionable and unconstitutional violations of the supreme law of the land, at the hands of federal, state and local politicians, lawmakers and bureaucrats.

**NOW THEREFORE, BE IT RESOLVED**, that I, the undersigned, an independent, natural born, or naturalized, sovereign and free citizen of the United States of America, being of sound mind and body, do hereby decree, ordain and affirm that I am not a slave, nor will I become a slave of the federal, state or local government, in any respect, or in any regard, and I will only be bound by the federal and state constitutions and by such laws that I interpret to not be in violation thereof, and

**BE IT FURTHER RESOLVED**, that I will openly resist, by all peaceful means, any attempts by the President of the United States, the U. S. Congress, federal or state bureaucracies, state legislatures and/or county or city councils, to violate my unalienable rights, as codified under the U. S. Constitution and the Constitution of the state in which I reside, and

**BE IT FURTHER RESOLVED**, that I hereby place government, in all forms and at all levels, on notice that I stand ready to defend my sovereign and individual, unalienable rights by open resistance by all legal means. However, if it becomes necessary and peaceful means are not successful to preserve my unalienable rights, *"I do hereby solemnly pledge to my great country, the United States of America and to all other American free men and women who will defend constitutional liberty and sovereignty, my life, my fortune and my sacred honor"* in this pursuit.

Signed, executed and affirmed by me, this 14th day of May 2012.
